Post Level: IICA-2
Org Unit: ECR, RSPO, Serbia
Duty Station (DS): Home-based, with several missions to Skopje, North Macedonia
Duration: Up to 20 working day in seven months period
Closing Date: 28 April 2020

1. Background Information

Background Information- UNOPS

UNOPS is an operational arm of the United Nations, supporting the successful implementation of its partners' peacebuilding, humanitarian and development projects around the world. Our mission is to help people build better lives and countries achieve sustainable development.

UNOPS areas of expertise cover infrastructure, procurement, project management, financial management and human resources.

The United Nations Office for Project Services (UNOPS) has been active in Serbia since 2000, and the operations of UNOPS Serbia Project Office (RSPO) have since 2017 expanded to North Macedonia and Montenegro.

UNOPS has been a reliable partner primarily of the Government of Serbia, and later of the Governments of North Macedonia and Montenegro, in providing support for demanding socio-economic reforms and facilitating accession to the European Union.

Currently, the RSPO is implementing 12 projects focussed on sustainable socio-economic development, social cohesion, creating environment for employability, business and infrastructure growth, increased security, improved education, enhanced social inclusion either via enabling durable housing solutions or providing access to health, education and jobs for the most vulnerable population. All projects have good governance and gender equality as transversal themes. UNOPS projects are contextualised within the broader Sustainable Development Goals framework and objectives.

Nordic Support for Progress of North Macedonia

A)The Government of Norway has decided to fund a sub-regional programme "Nordic Support for Progress in North Macedonia" to be implemented by the United Nations Office for Project Services (UNOPS). The project consists of a socio-economic development support to the more undeveloped parts of the country and also envisages support to the Macedonian authorities responsible for leading the renewed efforts on the EU accession process.

The Government of Norway has allocated funding for the implementation of the Project in Macedonia during 24 months.

The Overall Objective is to contribute to a more balanced socio-economic development and contribute to the implementation of the Stabilization and Association Agreement and EU accession negotiations priorities. Specifically, the programme has objectives at the local and national levels i.e. locally, to increase employment opportunities, support social cohesion as well as to enhance local infrastructure in the less developed areas with a focus given to the inclusion of youth, women and vulnerable groups in the labour market. Nationally, the programme aims at supporting the government to improve its capacity for EU integration and government reform agenda in the accession process

All Project activities will be undertaken in partnership and cooperation with national and local institutions, with the aim of allowing them to adopt/adapt the legal requirements and, where relevant, EU accession criteria. This will ensure national ownership and support the development of national capacities.

B)The Swedish International Development Cooperation Agency has decided to fund a project “Support to progress in North Macedonia - Government reform agenda in the EU-accession process” to be implemented by the United Nations Office for Project Services (UNOPS). The objective of the project supported by the Swedish International Development Cooperation Agency (SIDA) is to support the enhancement of the EU integration capacity of the Republic of North Macedonia by providing technical assistance to government institutions during the accession period.

SIDA has allocated funding for the implementation of the project in Macedonia during 24 months.

The Overall Objective of the SIDA support is to contribute to, and effectively communicate to the public, the implementation of the Stabilisation and Association Agreement, accession negotiations and government reform priorities in the Republic of North Macedonia.

Project interventions are aimed towards communicating the benefits of the EU accession process to the general population, as well as to involve the civil society and media throughout the accession phases. All project activities will be undertaken in partnership with the Government of Macedonia, in cooperation with the national institutions, with the aim of allowing them to adopt/adapt the legal requirements and, where relevant, EU accession criteria.

This will ensure national ownership and support the development of national capacities.

Background Information – relevant for the assignment

The purpose of Result 1 “Supporting the government reform agenda in the accession process” is to provide support to relevant national institutions, is to contribute to further building of capacities of the central coordination structures for the accession process and relevant national authorities.

Within the framework of the political and reform processes, Macedonian government commenced with preparations for accession negotiations, and activated its coordination structures for EU integration.

In July 2018, the Government announced the concept of the Negotiation Platform (NP), and appointed Deputy Prime Minister in charge of European Affairs as Chief Political Negotiator and Head of State Delegation for Negotiations with the EU, and the Special Advisor for Euro-Atlantic integrations in the Office of the Prime Minister as Chief Technical Negotiator and Head of the Technical Negotiations Team. The Government of the Republic of North Macedonia on its 143¹ session held on 9 July has adopted Negotiation structure.

The key actors in the accession process are:

- Cabinet of the Deputy Prime Minister for EU Affairs, head of Secretariat for European Affairs (SEA);
- Special Advisor for Euro-Atlantic integrations in the Office of the Prime Minister as Chief Technical Negotiator;
- Secretariat for European Affairs (SEA);
- Ministry of Foreign Affairs (MFA);
- Parliamentary Committee for European Affairs (CEA).

The Ministry of Foreign Affairs (MFA) via its Directorate for EU, coordinates the external dimension of the EU accession negotiations. The MFA, through the Mission of the country to the EU, is responsible for the political part of the accession negotiation process, and proper representing of country’s position in international dimension. MFA supports foreign policy aspect of the accession negotiations, with regards to the political dialogue, regional cooperation, contractual arrangements with the EU and the member states and candidate countries.

¹ Official Gazette of the Republic of North Macedonia No 169/19 from 01.08.2019
[VA/2020/B5109/19646](#)

In the previous step, the project provided consultancy support for conducting the needs assessment of MFA. Based on the assessment findings and recommendations, the project team designed a tailor-made 2020/2021 training plan (training curriculum/capacity building) that will be provided to the MFA by the consultancy, and is aiming at bridging the recorded gaps, and further developing existing competencies and knowledge for accession process.

On the basis of the conducted training needs analysis and developed training plan, the project is implementing the training activities through outsourced expertise/consultancy.

The overall process of European integration of the Republic of North Macedonia is coordinated by the Secretariat for European Affairs (SEA), as main coordination body in the accession negotiation process. Both SEA and MFA via its Directorate for EU are secretariat of the negotiation team.

2. Functional Responsibilities

Under the direct supervision of the Project Manager, the Capacity Building Specialist for Chapters 30 will provide technical expertise to the Ministry of Foreign Affairs and will conduct capacity building workshop with the aim to strengthen the capacities of the Ministry of Foreign Affairs (MFA) personnel.

In particular, the Specialist will undertake following activities/responsibilities:

- Design, develop and deliver capacity building workshop on Chapter 30 – External relations, with emphasis on but not limited to: Dual-use goods, Development policy. Accession negotiations in this chapter/areas; EU regime for the control of exports, transfers; brokering and transit of dual use goods and technologies (policy and practice, practical experiences, challenges and overcoming them); Development cooperation – policy and practice, expectations of new member states; Limits and possibilities of following national policy. Associations –challenges and expectations from new member states; and etc. Workshop (two-days) will be organised in the Q4 2020;
- Prepare powerpoint presentations, and background documentation on the topic of the workshop;
- Provide advice to the MFA on all training and capacity building related matters;
- Provide advice to negotiation structures, primarily MFA – Directorate for EU (DEU) and other state institutions, for accession negotiations process related to Chapter 30
